

# The University of Scranton

## Secondary Education Program

### ONE-TO-ONE LEARNING

Faculty Excellence

#### PERSONAL ATTENTION

- Exposure to faculty committed to a model that:
  - Seeks to develop a teacher as both scholar and decision maker;
  - Gives educators the tools and experience necessary for effective classroom decision making; and
  - Provides a predisposition for a lifelong love of learning.
- Learn from an incomparable faculty comprised of skillful educators who pride themselves in their teaching, research, and service.
- Gain practical knowledge from faculty that bring significant work experiences to the classroom experience.
- Work alongside a faculty mentor who will assist with academic planning throughout the program.

### FILLING A GROWING NEED

- Obtaining an advanced degree often provides additional educational certification as well as incremental gains on a school's pay scale.

### DO MORE

#### Graduate Assistantships

Graduate students have the opportunity to gain employment as teaching assistants, research assistants or graduate assistants. The assistantship enables the student to pursue a graduate education, strengthen the quality of their educational experience.

### JESUIT VALUES

- *Fosters the development of reflective practice and the pursuit of the "magis" — the restless pursuit of excellence in all things.*
- *Considers the care of the "whole person" in serving program candidates, as well as preparing teachers and school leaders to do the same with their students and adult colleagues.*
